ONE-PACKAGE OFFER FINAL TRUMAN SAYS

Washington (AP) — President Truman left the Asiatic Communists today with the choice of accepting what is apparently the final Allied armistice offer or continuing a war that has gained them little.

While the Communists mulled over the President's declaration yesterday that the United Nations three-point truce proposal must be accepted in entirety, military and diplomatic officials considered what to do if it isn't.

If the Chinese and Koreans turn down the one-package proposal, including the point that there be no forced return of prisoners, the prospects for continued war seemed uppermost.

A diplomatic effort outside Korea to settle the dispute remained at least a possibility. Deputy Defense Secretary William C. Foster was asked by reporters yesterday if direct negotiations with Russia had been considered. Foster replied that "every alternative has been considered," including that one.

The single package proposal submitted by Gen. Matthew B. Ridgway's negotiators at Panmunjom and supported by the U. N. Allies contains these three points:

1. "That there shall be no forced repatriation of prisoners of war—as the Communists have insisted."
2. The U. N. will not insist on prohibiting reconstruction or repair of airfields in Communist areas.
3. The commission to supervise an armistice shall include two Communist satellite nations—Poland and Czechoslovakia—and two chosen by the U. N.—Sweden and Switzerland.

Hearing Is Held On South West Twp. School Injunction

A contingent of approximately 50 residents of South West township gathered this morning in the county court house, where Judge Allison D. Wade is hearing a writ for a preliminary injunction by Carl E. Wright, et al, against the board of school directors of that township.

Complaints were being called for cross examination when recess was taken at noon and continue to be heard during the afternoon session, reconvening at 1:30 p. m.

R. Pierson Eaton represents the citizens of the township, who are asking the court to enjoin the school board from entering into any contract with a joint school board composed of Pleasantville borough, Allegheny and Oil Creek townships in Venango county.

The writ also asks that the South West township school board continue its elementary schools and its contract with Titusville school board, where high school students now attend.

The South West township board is being represented by Benjamin McFate, of Franklin, and the Warren firm of Blackman and Blackman.

Physical Education Director Elected

Carl E. Whipple, superintendent of Warren schools, announced this morning that Miss Martha Sable has been elected by school board as girls' physical education instructor at Warren High School starting next September.

Miss Sable, who graduates from Slippery Rock State Teachers College on May 23, will replace Miss Ruth Bieleberg in the high school position and the latter will be employed as an English instructor in Beatty Junior High School.

During the first semester of this school year Miss Sable served several weeks as a student teacher in the high school while Miss Bieleberg was on a leave of absence. While here, in addition to her school activities, she coached the Y-Teen basketball team and aided in the Red Cross Lifeguard program conducted at the YMCA.

At Slippery Rock she has been serving as president of the Woman's Athletic Association, and at the present time is on the Senior Dinner Dance Committee at the school and is chairman of the Class Day program, which is being held today.

International Situation Is Still Very Grave President Admits at Press Conference

Washington (AP) — President Truman, reflecting on world conditions on his 65th birthday, said today the international situation still is very grave and some people here at home don't seem to realize it.

The President, in an often philosophical mood, ranged over the general situation in a news conference discussion.

Despite the difficulties he saw, he said as he often has before that he is still hopeful of ultimate peace.

And as for himself and the fact it was his birthday, he commented that he has had a most happy, and he guessed as full a life as any man of his age.

Once he leaves the White House, Truman said with a grin, he is going to spend the next ten years having a good time and doing just as he damn pleases.

He suggested he might do a good bit of traveling abroad.

In a scolding turn, Truman repeated what he had told the National Housing Conference earlier in the week—that some opponents of his defense program are playing right down the alley Russian Premier Stalin would like to lead them.

Joint Committee Discusses Plans For Memorial Day

At a meeting of the joint committee from the American Legion and Veterans of Foreign Wars held last evening at the VFW Post rooms plans were outlined for the annual Memorial Day observance to be held Friday, May 30th.

Commanders of both posts, Louis Verna of the Legion and George Jerman of the VFW were in attendance with committee members.

It was decided that the annual exercises will be held at 10:30 o'clock at War Memorial Field, instead of Oakland cemetery as has been the custom in the past. There will be exercises, however, at 8:45 o'clock in the cemetery, with the joint firing squad in attendance to participate in the rituals, which will start at G. A. R. Circle at that time.

The usual platform exercises including the oration, reading the Gettysburg Address and General Logan's Orders, etc., will take place on a stand before the bleacher section at Memorial Field following the parade which will move promptly at ten o'clock.

The name of the speaker is being withheld pending acceptance of an invitation that has been extended.

The next meeting of the committee will be held on the evening of May 21st.

HELD FOR FRAUD

Pennsylvania State Police today arrested Robert William Cresley, 46, of Garland, and lodged him in the county jail pending arrival of a county detective from Indiana county where he is charged with obtaining money fraudulently from the Board of Public Assistance. The complaint from Indiana county states that Cresley, granted aid while out of work, secured employment and continued to receive his relief checks without notifying the board. He is married and has four children. The family moved here from Indiana county.

The recently-chartered Warren Civic Orchestra announces its roster of players who will be participating in the initial concert at 8:00 p. m. Monday, May 19, in the high school auditorium.

Mass Persecution Of Missionaries

New York (AP)—The worst mass persecution of American missionaries in our history now is going on in Communist China, church leaders said today.

They gave this picture: 32 American missionaries in prison.

25 under house arrest.

136 others restricted in their movements.

Both Roman Catholic and Protestant leaders said that never in any land has there been such widespread, official persecution of American missionaries since the first ones went out nearly 150 years ago.

Verdicts of Guilty Demanded in Trial Of Bank Holdup Men

Pittsburgh (AP)—The case of four men accused of robbing the Johnsonburg National Bank of \$7,100 went to the jury today after a 45-minute charge by Federal District Judge Owen M. Burns.

The judge did not review the testimony but confined himself to reviewing the law in the case and telling the jurors to determine the facts for themselves.

The jury of 10 women and two men retired to the jury room immediately to begin their deliberation.

Avellino is charged with being one of two gunmen who held up the bank. The FBI is still searching for a second bandit. The Astis and Croyle are charged with conspiracy to aid the holdup men. All pleaded innocent.

Attorneys for the four men asked the jury for direct acquittals. In summation, the defense counsel said Avellino is a victim of mistaken identity.

Thomas McMahon, 23, of Johnsonburg, pleaded guilty to a charge of conspiracy and testified for the government.

Four Admit Holdup Of Brookville Bank

Brookville (AP)—District Attorney William A. Sykes said it probably was Ralph Richardson's familiarity with Jefferson county roads which led him and three friends to pick Brookville as the scene of a bank holdup.

Richardson, 23, of Butler R. D. 7, once worked the territory as a truck driver for an oil company, Sykes said.

Quick work by state police, however, halted the getaway car at a roadblock at Kittanning, 35 miles southwest of Brookville, only an hour after the \$542 robbery of the National Bank of Brookville.

Richardson pleaded guilty when arraigned before Justice of the Peace Homer D. Small on charges of robbery with accomplices, burglary and conspiracy to commit a felony. So did the other three prisoners—pretty 19-year-old Dorothy McCandless of Butler; Joseph Staples, 34, and his brother, John, 29, both of Pittsburgh.

Outside of the brief annual business meeting to be conducted by Donald H. Mowell, president, the program will include group singing led by Boyd Sanden, with Stavroula Fanos as the pianist, and "Harmonizing" by the Chord Cadets. The evening's entertainment will be highlighted by Rev. Herman Bieleberg's illustrated lecture entitled, "The Voice of the Flowers."

Flute—Dr. Russell Meadows. Clarinets—Charles Armstrong, Dr. Santo Giunta. French horn—David Harrington. Saxophone—Jerome Waxman. Trumpet—Kenneth Foreman. Trombones—Chris Pepke, Barbara Schmitz.

Perussion—Everett Stoke. Two others who have been rehearsing with the group will be unable to appear in the concert. Edgar Svensen, flutist, has had to drop out because of illness, and Deane Swanson, trumpet, has been inducted into the armed forces.

To augment the instrumentation, Mr. Summers has asked the following members of the High School Orchestra to participate: Second violins—Carolyn Eddy, Karen Kinney.

French horn—John Krieshauser. Flute—Marcia Stevens. Bassoon—William Carlson. Trumpet—Louis Garber. String bass—Coral Torje.

GENERAL IKE OPPOSES CUT IN AID BILL

Washington (AP)—Gen. Dwight Eisenhower told Congress today cut in President Truman's \$7,900,000 foreign aid plan "would inevitably tend to curtail or retard" this nation's defense program.

The message from Eisenhower was made public by Sen. Connally (D-Tex.), chairman of the Senate Foreign Relations Committee.

The retiring head of the Western Defense forces did not specifically ask Congress to retain the full amount of funds Truman requested for foreign aid.

But he did say that any cut "would be heavily and seriously felt."

The foreign relations committee has voted to cut a billion dollars from Truman's requests. The House Foreign Affairs Committee chopped off another 100 million.

Eisenhower said in his cable to Connally that "any cut materially greater" than the billion dollar reduction voted by his committee "would create such difficulties that a drastic revision of the whole program might well be indicated and might therefore endanger the proposed military build-up now visualized and which I consider essential in the interest of U. S. security."

Only an hour before Connally released the Eisenhower message, Sen. Russell (D-Ga.), chairman of the Senate Armed Services Committee, sent a message to Eisenhower asking him whether he thinks the \$8,900,000,000 voted by the Connally committee would be adequate for this nation's defenses.

Russell is a candidate for the Democratic nomination for President. Eisenhower is a candidate for the Republican nomination.

FORMER SCHOOL HEAD PLANS LOCAL SURVEY

John G. Rossmann, former superintendent of Warren public schools, visited Warren High School for a short time this morning to make arrangements for a survey of local school buildings.

Mr. Rossmann, working under a temporary appointment by the Department of Public Instruction of School Facilities Survey Department, talked with Carl E. Whipple, superintendent of schools, and Floyd W. Bathurst, principal of the high school, to explain the system by which they will score the school.

This work is a part of a nationwide plan, in which every school building in the country will be scored, in order to determine which schools are too old or unsafe to be used. The scoring is based on the age of the building, its teaching facilities, and its safety conditions.

After making the preliminary arrangements, Mr. Rossmann returned to his home in State College. He will be in Warren later to complete the survey.

OVER HUNDRED WILL ATTEND YMCA DINNER

Over 100 members and guests will gather in the association building at 6:30 this evening for the YMCA's annual dinner-meeting, celebrating 56 years of service.

The banquet arrangements for tonight's affair were arranged by Francis Hetrick, chairman, S. Knox Harper and Charles G. Kosley, the former to act as toastmaster.

Outside of the brief annual business meeting to be conducted by Donald H. Mowell, president, the program will include group singing led by Boyd Sanden, with Stavroula Fanos as the pianist, and "Harmonizing" by the Chord Cadets. The evening's entertainment will be highlighted by Rev. Herman Bieleberg's illustrated lecture entitled, "The Voice of the Flowers."

Illinois Democrats Convene Amid Talk of Drafting Gov. Stevenson for the Presidency

No Increase in Auto Insurance in Prospect

Harrisburg (AP)—The State Insurance Department says that no increase in automobile insurance rates is in prospect in Pennsylvania.

Ralph H. Alexander, deputy state insurance commissioner, made the statement when asked about a report from New York that casualty insurance companies would seek "substantial increases" in automobile liability and property damage rates across the nation.

Stevenson, reportedly President Truman's choice as a successor until he said he was running only for governor this year, is in Camp Cooke, Calif. He held a 30-minute telephone conversation last night with Jacob M. Arvey, Democratic National Committeeman from Illinois.

Arvey in Springfield, appeared not to have given up on getting the convention to endorse Stevenson for presidential nomination.

The convention will name 20 at-large delegates to the July national convention. Each of the 20 will have a half-vote, completing Illinois' 60-vote delegation.

Sen. Robert Taft of Ohio, who reaped all of Ohio's 56 Republican votes Tuesday, also claimed sure nomination. Taft's headquarters said it gives him 404 votes and the Ohioan told newsmen he won't be topped.

Nomination requires 604 GOP votes, 616 Democratic votes. The Associated Press delegate tabulation—based on concessions, pledges, instructions and avowed leanings—gives:

Republicans—Taft 332, Gen. Dwight Eisenhower 280.

Democrats—Kefauver 104%, Foreign Aid Chief W. Averell Harriman 93%, Russell 41%.

A third application was made for a permit for construction of an addition to the building of Warren County Motors, Pennsylvania avenue, west, at an estimated cost of \$6,000.

Day-Long Waves of American Planes Convert a Communist Camp Into Billowing Inferno

Seoul, Korea (AP)—Day-long waves of American planes, in the biggest air raid of the Korean War, turned a major Communist supply base "into billowing flames and smoke" today, the U. S. Fifth Air Force reported.

The air force said the dawn to dusk rain of high explosives, rockets, jelled gasoline fire bombs and machinegun bullets destroyed 165 supply buildings and damaged 81.

American and Australian jet planes screening the raiders shot down two MIG-15 jets and damaged another, the Air Force added.

Target of the mass raid was Suwon, 35 miles southeast of Pyongyang, North Korean capital. Suwon is a feeder point to Chinese troops on the Western Front. Air Force photos had shown the area literally loaded with trucks and military supplies heavily guarded by anti-aircraft guns.

Jets and propeller driven planes drawn from four wings made well over 300 individual attacks, the Air Force said.

They "tore the Communist supplies to shreds," a communique said. "Thousands of gallons of fiery napalm jelled gasoline were spread over the target, turning piles of supplies into billowing flames and smoke."

F-80 Shooting Stars opened the attack at dawn.

Then came waves of F-84 Thunderjets, more Shooting Stars, propeller driven Mustangs, and Marine Pantherjets, Sky Raiders and Corsairs.

The Fifth Air Force said the (Turn to Page Twelve)

FOURTEENTH CHILD BORN TO CUMMINGS

Their fourteenth child, a daughter, was born to Mr. and Mrs. Don Cummings, 117 Ludlow street, this morning, at Warren General Hospital.

Mr. and Mrs. Cummings now have eight sons and six daughters, and while Mrs. Cummings and the little miss were reported as "fine" at the hospital, Mr. Cummings, when interviewed by the Times-Mirror, merely stated that he was "recovering nicely."

"Income tax?" answered Don. "No. I don't have to worry about that!"

Munsan, Korea (AP)—The Communists today accused the United Nations Command of delaying a truce in Korea by refusing to negotiate further on prisoner exchange.

The prisoner issue is the only one in the path of an armistice in the nearly two-year-old war.

North Korean Gen. Nam Il's verbal blast failed to shake the Allied delegates from their no retreat stand against forced return of prisoners to Red rule.

The Allies have told the Reds that 62,000 captured Red soldiers do not want to be repatriated.

Nine School Boards, Including One In Warren County, Discuss Joint District

No opposition was encountered, Wednesday night, when representatives of nine school boards, Southwest township in Warren county, the borough of Titusville, five school districts in Crawford county and two in Venango county, met in Colestock High school to discuss a joint school district.

H. L. Blair, superintendent of Warren county schools, and Asst. Supt. W. J. Summerville were present, while the Southwest township board was represented by F. F. Baker, president, Ellsworth Harrison, Blaine Luke, Arthur Flick, Charles Lindquist, and Mary Luke, secretary.

Charles F. Kindred, Titusville School Board president, presided at the meeting and admonished those in attendance that the procedure could be accomplished only by a gradual approach to the problems "but we can solve them if we'll take them step by step."

Mr. Blair spoke in favor of the jointure, said "Jointure can be too small to function as it is intended, but in Titusville and Warren you can offer all those extra services which are expected of a joint board because you are large enough. I don't believe it is a question of whether or not we should have jointure, but how soon." He outlined the plan being worked out for Warren borough and nine other districts and described the method of financing new buildings. As regards Southwest township, which has been split by factional quarrels over the possibility of jointure, Mr. Blair said: "I would say this to Southwest: For the past several years you have been sending your pupils to Titusville and have seen the very good things that Titusville offers. I hope that Southwest will see its way clear to send them to this area being discussed to-night. There is always dissention connected with these things. It is nothing new."

Talks in favor of a jointure were made by F. B. Peters, superintendent of Crawford county schools, and W. C. Frantz, superintendent of Venango county schools.

Presbyterian Men Sell Tickets For Rally and Dinner

Members of Clifford Johnson's 44-man ticket committee who are selling dinner tickets for the Presbyterian Men's Rally on Monday are asked to make a report to chairman Johnson by Friday noon of the tickets they have sold.

Mr. Johnson requests that the members of his committee keep a record, by name, of all members to whom tickets have been sold. Sales to date have been fair and the chairman feels that most of the men in charge of ticket selling are making an earnest effort to contact each person assigned them. In some cases he has found evidence where calls have not been made and he urges all members of his group to make a determined effort to see every possible prospect between now and Sunday. At the same time he is asking for a preliminary report tomorrow, by noon, so he may make a report to the committee in charge on progress made at that time.

Torsten Milenius, chairman, has prepared an interesting program for the meeting which will follow the dinner. With the help of Fred Plummer, music chairman, a number of interesting musical selections will be heard. Robert Dietrich will have charge of the group singing, a men's octette will be heard and there will be several selections said to have particular appeal for an all male audience.

Dr. Robert S. Steen, pastor of the First Presbyterian Church will offer the invocation and Donald McComas will act as toastmaster and introduce officers of the group and the guest to honor, Dr. Raymond M. Kistler whose topic will be titled "Men for Our Day".

Chairman Ralph E. Sires is calling a meeting of the general committee for 4:30 tomorrow in the Church office. He asks all committee chairmen to be present.

THE GIRLS ARE SCRAPPING

The thoroughness with which the Warren-Forest County Council, Girl Scouts of America, has organized for its 1952 scrap drive is most impressive. In going over the plans made for the drive, one gets the idea that more than ordinary thought has been given to the set-up. It would seem that every possible avenue of scrap return has been covered. This is a drive which, if as successful as it deserves to be, will end all scrap drives for some time to come—there just won't be any scrap metals left!

More than 60 industrial firms are being contacted by Harry Logan, Jr., chairman, and his industrial committee. The oil lease division, with Vance Weld, in charge, is turning up scrap which has been overlooked for many years. The old "car spotting" contest, with Charles Blackman at the helm, is bringing in tons of scrap metal and will give prizes to the Girl Scout troops finding the most old cars.

The residential scrap drive in Warren will be conducted Saturday, supervised by Mrs. Vance Weld, with a plea going forth for contribution of old rags as well as metals. "Reminder Tours" will be conducted during Saturday morning, the curb pick-up to start at 1 p. m. Mrs. Victor Spattfor, chairman of the publicity division, has done a remarkable job of bringing the drive before the general public, and the "doorknob tags" used as reminders have brought many favorable comments.

Robert Wilder, general chairman of the drive for the Girl Scout Council, has expressed himself as well pleased with his committee's hard work and with careful arrangements made by Ralph Sires, chairman of the transport division, for trucks to pick up the scrap metals.

HERE and THERE

This 'n That: Buses to transport School Safety Patrol members from McKean county to Washington for a weekend excursion leaving Bradford this evening, are being furnished by the Warren City Lines. . . . Folks in charge of the Girl Scout Scrap drive Saturday are anxious to secure about ten men volunteers to help in the collections, and any person interested in helping the worthy cause is advised to contact Headquarters by calling 1895. . . . Peanut brittle being sold as a benefit project for the Cancer Crusade fund is said to be especially appetizing and well worth the price, better buy a can. . . . Our apologies are offered today to Carl Harrison, Beatty teacher, whose name was printed in the caption under the picture on page one Wednesday as Carl "Harris", but there is a degree of satisfaction in the realization that almost everyone concerned was fully aware of the identity of the person mentioned. . . . Four student nurses from the Bradford area have begun a three-months affiliation at the Warren State Hospital for specialized training in psychiatric training, including the Misses Norma Mary Powell, Rixford, Miss Joan Johnson, Miss Mary Lou Henretty and Miss Ardeth Chapman, all of Bradford. . . . The White Way Drive in theater at Starbrick is presenting on stage all next week the amazing "Sylvers", mental marvel at each show, and along with the regular, highly entertaining program should attract some of the largest crowds of the season. . . . If you are in doubt about what to buy for Mother's Day remembrances study the advertisements in today's issue. . . .

Thursday Tidbits: "The Warren Retailer" calls attention to the fact that the annual Merchants' picnic will be held June 25th at the Maroon Outing Club, instead of Oakview where it has been staged every summer since inaugurated. . . . Attorney R. P. Eaton was the lone recipient of a birthday reminder during the Kiwanis Klub Kapers Wednesday noon at the YMCA, the presentation being made in his usual able and humorous manner by Bob Garrison with an assist from Kerm Forsgren, and the gift again revealed the vast amount of thought, research and time the "President's Committee" is expending in an effort to

secure appropriate and timely presents for members each week. . . . Retail stores will not close the night of Friday, July 18, Circus Day, but it is very probable proprietors will find some plan to make it possible for those clerks desiring to see the night performance, to get away from their duties. . . . Little more cooperation from the Weatherman would have been appreciated by local Retailers for the first of their "Warren County Days". However, forestry officials, state and federal, have reason to complain about the lack of consideration from the individual.

Shrinkage of 18,000 Penna. - Owned Horses During Year

Harrisburg (AP)—The State Agriculture Department today disclosed a report that slaughter houses are outbidding farmers for horses in local livestock auctions. William R. Fuoss, Tyrone, charged recently that packing houses were offering higher prices for sound work horses than farmers were able to pay.

The department took issue however with this contention.

It said the average price now being paid for sound work horses is around \$70, while slaughter houses are paying only \$25 to \$30 and are taking mostly poorer stock. It said there have been exceptions when slaughtering concerns have bid as high as \$70 for a larger horse, but added in such cases the animal was worth correspondingly more to a farmer interested in the animal. The department said horse meat is used primarily by dog food manufacturers.

The department said the low price today of about \$70 for a work horse is indicative of the diminishing use of horses on Pennsylvania farms.

It listed a total of only 87,000

horses on Keystone farms as of Jan. 1. This was a shrinkage of 18,000 under the 1931 January figure and a drop of 106,000 under the 1941-50 average.

The department said tractors now perform the duties once delegated to old dobbin. It added that horses on farms today are used for pleasure purposes such as riding and in instances where the terrain is such that tractors cannot be used efficiently.

But despite the drop in the horse population, the department said there is no scarcity of work horses in this state. It said there are still plenty of animals changing hands at local livestock auctions, and added farmers seeking horses for draft duty should encounter little trouble obtaining animals.

Ruth Bush Named Queen for Sugar Grove Gym Event

Sugar Grove, May 8.—The gymnasium of the local joint school was filled to capacity by parents and friends assembled to enjoy the initial program of the physical education department of the school. The program consisted of exercises done to music by the older girls; tumbling; horse-tumbling group; girls' marching and square dancing; boys' bar work; hoop-drill by girl cheer leaders; one boys' feature called "horsing around"; tap specialty by Martha Grant, with Mrs. Ruth Titchner as accompanist; and the climax, the crowning of Ruth Bush as May Queen.

Her court was comprised of the following: Crown bearer, Debra Ann Able; crownner, Eleanor Rowland; senior attendants, Ruth Ayling, Barbara Wolfe; junior attendants, Phyllis Schenk, Lois Rowland; sophomore attendants, Isabella Carlson and Virginia Skinner; freshman attendants, Janet Robbins and Venetia Tidrick. The throne was arranged at one end of the gym, with a background of spring flowers, and the Queen, dressed in a white formal and carrying a large bouquet of red roses, carried colonial nosegays.

Concluding the program, Nancy Bowers was at the piano for the traditional winding of the May Pole.

Mr. and Mrs. Fred Bauer, teachers, directed the program, which proved very colorful and went off without a single hitch in detail. Many present expressed the wish that the feature may become an annual event on the school's springtime calendar.

Golden Wedding Of Russell Couple

Russell—Mr. and Mrs. Bert Fox celebrated their golden wedding anniversary Sunday, with open house at their home during the afternoon and evening. The 175 guests who called included Dr. Arthur McCormick, Warren, who performed the wedding ceremony 50 years ago at the home of Mr. and Mrs. Oscar Larson in North Warren.

Of their eight grandchildren, all were present but Glen Fox, who is with the armed forces in Japan.

Refreshments were served from a table attractively centered with yellow roses and a three-tiered wedding cake. Mrs. Howard Fox and Mrs. Theodore Fox poured. Mrs. Charles Fox served the cake and aides were Evelyn Sumner, Janice Gage, Betty Ann Gage, Arlene Ellberg and Helen Sears, members of the Cable Hollow Youth Fellowship group. Clair Cable, a grandson, had charge of the guest book.

The home was beautifully decorated with bouquets of yellow roses and snapdragons and Mrs. Fox wore a yellow rose corsage with her blue print frock.

The honored ones, who have lived on the same farm since their marriage were remembered with many cards, gifts, and flowers with a purse of money from those present. Guests were from Erie, Fairview, Fredonia, Blockville, Falconer, Salamanca, Jamestown, Warren, Russell and vicinity.

The entrance hole of a when houses should be the size of a 25-cent piece.

Carlbergs Observe 55th Anniversary

Sugar Grove, May 8.—Tuesday was a happy occasion for Victor E. Carlberg and his wife, Myrtle Davis Carlberg, quietly celebrating the 55th anniversary of their marriage in 1897 at the home of the bride's parents, Mr. and Mrs. Charles Davis, who resided on the Ashville road and lived to observe their own 65th wedding anniversary. They have a daughter, Mrs. Ethel Greene of Frewsburg, and a son, Kenneth V. Carlberg, Jamestown; also three grandchildren, Charles, and Robert Greene and Patricia Ann Carlberg. Three sons died while very young.

The Rev. B. A. Ginader, pastor of the Sugar Grove Methodist church, performed the wedding ceremony in the presence of relatives and friends. Mr. Carlberg recalls there were apple blossoms blooming on that day, although a hard frost came soon afterward to harm the fruit. The Carlbergs lived in Jamestown until 24 years ago, when they moved to this community. Mrs. Carlberg, aged 77, has been an invalid for many years and is nearly blind. Mr. Carlberg, 83, is a carpenter by trade but has had to remain at home for several years to care for his wife. Both have been members of the Baptist church for 40 years and are affiliated with the Frewsburg congregation.

Dramatic Club Is Giving Two Plays For "Guest Night"

Invitations for a special Guest Night performance of two plays at the high school this evening have been issued individually to parents and friends by members of the Warren High School Dramatic Club.

Including on the guest list the board of education, administration and faculty of the high school, together with those students and organizations in the school which have helped the club with its dramatic performances, the group will open its presentation at 8:15 p. m.

Patty Atkins and Patty Larson have assisted Kathryn Martin, director of dramatics, in reading "Thanks Awfully," a comedy by Jean Lee Latham, in which are presented the troubles of Richard Montague, an artist played by Charles Conaway, after his sister, Dot, has persuaded him to meet her friends at a bridge party. Joyce Allen will be seen as Dot and Joan Saglimbene as Anne, who brings a guest, Marion Gatewood (Mary Lou Henderson). When the last named individual turns up, the young artist is ready to forget the bet he has with his sister that he would say no more than two words at the party. Other friends of his sister will be played by Elaine Cooney, Carolyn Eddy, Patty Gicotti, Gail McDonald, Agnes Mitchell, Susan Pearson, Lou Radspinner, Margaret Schale, Beverly Taft and Barbara Van Blos.

"Where the Cross Is Made" is a story of a crazy seaman, enacted by Dudley Danielson, who tries to convince his son, Nat, portrayed by Kenneth Williams, that his ship will soon come sailing home. The tragedy for Nat's sister, Sue, with Nat's role is only beginning when she learns that her brother is ready to make arrangements with a doctor, played by John Mangus, to send his father to an asylum.

Setting up the stage for the performances will be done by Charles Johnson, George Scallie, James Slate and Dean Vestling. Properties are the responsibility of Marian Dutches, Josephine Hensley, Jean Mostert, Patricia Ronan, Elizabeth Simko, Joyce Sponster and Rose Raffaele. On the costume committee are Kay Barrett, Mary Elliott, Geraldine Gibson, Joyce Sponster and Janice Tucker. Make-up is in charge of Nancy Brooker and Barbara Linder.

Business managers are Roberta Leave, Norma Pierce, Gretchen Schumacher and Helen Spridon. John Stachowiak, teacher of Latin and English, has assisted as technical advisor.

Hal Boyle Offers Suggestions for Your Observance of Mental Health Week

By HAL BOYLE
New York (AP)—Is life too much for you? Has care got you down? Since this is National Mental Health Week, now is as good a time as any to figure what to do about keeping all your marbles.

Statisticians estimate that one out of every 12 children born in America today will spend some part of his life in a mental institution. This is a frightening fact.

Going to a psychiatrist isn't the solution. There are only about 6,000 psychiatrists in the country. Even if patients kept their couch's warm around the clock, there are too few of these professional mind-probers to listen to all the people who want to tell their troubles. Also, getting to their ear is a bit expensive for the average purse.

What is the answer? Well, let's look at the situation, and consider the possible remedies.

There are two ways to go through life—enjoying yourself to death, or worrying yourself to death. Most people are firmly convinced they will never die of pleasure, and as a matter of fact the very idea frightens them. So they slowly worry themselves

crazy, or fret themselves gradually into a grave, borne down by the weight of accumulated disappointments and frustrated ambitions.

The big fallacy of the human race is that it is a spendthrift of its happiness, but hoards worry privately like a miser.

This is all wrong. You should, of course, share your happiness; but, equally, you should share your worries. A happiness grows with sharing; a worry diminishes.

We've had share-the-work programs and share-the-wealth programs. What we need now is a good, nation-wide, share-your-worries program. People plagued by similar emotion, physical or financial woes could band together on the same principle as the members of alcoholics anonymous, a signally successful organization.

Some folks might be reluctant to share their private worries with neighbors or friends. In that case they could team up with strangers who knew nothing about them, personally but suffered the same problems.

The advantage of these share-your-worries clubs is that they

would put each worry in its proper perspective. The thing about your own worry is that it always looks bigger to you than it does to everybody else.

Tell your worry to another person and, somehow, it doesn't loom quite so large even to you. And the one you told it to? He can take your worry and a dozen other worries like it from a dozen other people and go right on enjoying his meals as he did before.

Sugar Grove-Farmington FFA Entertains at Annual Banquet

The Sugar Grove-Farmington Future Farmers of America entertained their parents, teachers and school board members at their annual banquet Tuesday evening, at the church parlors of the Sugar Grove Methodist church. Robert Warner gave the in-

roduction. Hubert Perkins, a senior in the Sugar Grove-Farmington High school, ably served as toastmaster. Everett Landin, principal, was the enthusiastic song leader. Several well presented numbers were given by the quartet composed of James Rapp, Doyle Car-

son, Tom Baker and Roy Nelson. The welcome was given by Harold Spink and the response by Sheridan Baker. The FFA Creed was given by Richard Warner.

FFA sweater emblem awards for participating in FFA activities were presented by James Looney, agricultural instructor, to Richard Warner, Leslie Firth, Marion Abbott, Robert Chase and LeRoy Larson.

Leslie Firth and Richard Baker showed colored slides which il-

lustrated the many FFA activities and farming programs in which the boys are engaged.

T. R. Sponner presented the speaker of the evening, V. A. Martin, member of the State Department of Public Instruction. Mr. Martin spoke very interestingly on the topic of "Making Education Practical."

The Ladies Aid of the Methodist church served a delicious ham dinner, to approximately 100 FFA boys and their guests.

Automobile Show Plans Completed By Forty and Eight

With a large attendance, the Forty and Eight organization of the American Legion met last night and made plans to take over the big Masterson Transfer Company building, 806 Lexington avenue, later today, to lay out display sections in advance of the automobile show which will start Friday night and continue through Saturday afternoon and evening.

Object of the Forty and Eight in sponsoring the show, which has the support of all Warren automobile dealers, is to obtain funds with which to purchase a television set for use of patients at Warren State Hospital.

The Masterson firm has thoroughly cleaned and cleared the huge building in advance of the preparation work to be done by the Forty and Eight, which will be completed tonight, and the cars will start to move into the space early Friday.

Unlike most shows, the display will be complete on opening night, and visitors are urged to come early so they may see and examine the cars in a leisurely manner. The very latest in automotive comfort, power and mechanical excellence will be on display. Organ music will be a feature of the show, with Orrie Beebe at the console. If a little extra space can be found, a car of European manufacture also will be shown.

Do Your Legs Itch?

A Lack of Natural Skin Oils Often the Cause
Dry skin, a lack of natural skin oils, often causes itching, persistent itching and redness. Rubbing dry skin with Nidolol, the medicated, oil-rich ointment that lubricates parched skin surface, acts in place of Nature's own missing oils. Nidolol ointment soothes itching almost immediately. Comfort lasts for hours as Nidolol Ointment helps Nature heal irritated parts.

Governor John Fine has ordered such conference-hearings to be held throughout the state during May and June, the purpose being to take testimony from agency representatives on possible improvement by the state in its program for dependent and neglected children.

The first of the series was held yesterday at Slippery Rock, when witnesses representing county commission boards, social agencies and organizations of Armstrong, Beaver, Butler, Clarion, Lawrence and Mercer counties were heard. Testimony was given on the need for increased state funds, trained personnel and uniform child welfare standards. A bulk of the testimony declaring child welfare services are inadequate.

Day-Long Waves of American Planes Convert Camp Into Billowing Inferno

(From Page One)
Strike was bigger than one a year ago on Red air bases just inside Korea near the Manchurian border. That one involved 812 planes. The Air Force didn't say how much bigger.

No report was made of damage to American planes if any. That is mentioned only in weekly summaries.

American Sabre jets and Australian Meteors screening the attack fought two mid-afternoon air battles with MIG 15s. Each fight was about 40 miles from Suwon and more than 100 miles from the Manchurian border.

Director Announces Concert Soloists

(From Page One)
Choir in "Mountains", Rasbach-Aslanoff. Martin Carlson, bass, will have the solo part in "Ohio River Farewell Song", arranged by Gaul, and will be accompanied by Ronald Snyder.

In the "Deaf Woman's Courtship", a traditional form of native folk song arranged by Siegmund, Anne Israel, alto, and Richard Smith, baritone, will sing alternate verses until the old woman's deafness suddenly vanishes when she hears, "Will You Marry Me?"

Geraldine Aquist will accompany the choir in "Some Enchanted Evening" by Rodgers and Sticksles, and Carol Barrett will be the accompanist for the final number, "Showboat Medley" by Jerome Kern.

All members of the choir are selling tickets for the concert.

International Situation Is Still Very Grave

(From Page One)
He said the attitude of Congress toward economic and military aid and other defense legislation recently has been such as to imply that the necessity for those things no longer exists.

Before the President's meeting with reporters, Brig. Gen. Wallace Graham, his physician, had told newsmen that despite the burdens Truman has carried in seven years in the White House his health and well-being are "even above the average of men of his age who have not been under similar strain."

Truman's own report was: "I feel 28."

TWO CHILDREN HURT

Karl Clark, aged 4, son of Mr. and Mrs. Clifford Clark, 350 East Fifth Street, was severely injured this morning when he thrust his right arm into an automatic washing machine. At Warren General Hospital it was determined he had suffered a fracture of the upper arm and wrist and was removed to Hamot Hospital in Erie. Ardale Carlson, aged 8, daughter of Mr. and Mrs. Martin Carlson of Ludlow, was treated at the hospital late Wednesday for a fracture of the right wrist, sustained while playing at school.

U. N. Command Is Accused By Reds of Delaying Truce

(From Page One)
"Your so-called screening of our captured personnel is absurd," Nam declared in the 18-minute session at Panmunjom.

Nam spoke for 17 minutes. Vice Adm. C. Turner Joy, chief U. N. Command delegate, called Nam's speech a "propaganda tirade that can serve no useful purpose."

Gen. Matthew B. Ridgway and Gen. Mark W. Clark, who will replace Ridgway as supreme Allied commander, arrived in Korea.

Potato Scarcity Is Reported to Have Reached Local Bins

That Warren stores will have few potatoes for the heavy week-end shopping forages of apud-hungry local folk was predicted today as few stores in town had even one potato in their bins.

One Warren wholesaler said he received 50 bags of 10-pound size, Wednesday. A meager shipment of new potatoes, received a few days ago, went to the restaurants.

While the ceiling price of new potatoes, wholesale, is \$3.91, one Pittsburgh wholesaler offered potatoes to a local dealer for \$10 per hundred. The ceiling price on old potatoes, when available, is \$5.23 per hundred.

That the shortage will be alleviated within a week or two was predicted by both Warren wholesalers. One said: "If so many were not sent to Canada, we'd have plenty in the States." The other emphatically declared: "We'd have plenty if the government would keep its nose out. It tells the farmer what it thinks he can get and then he holds back his crop."

No Smoking Pledge for Candidates Is Ield by Methodists

San Francisco (AP)—The quadrennial General Conference of the Methodist Church closed a legislation-packed 14-day session last night with a parting shot at smoking.

In the final, fast-moving session, the conference voted to continue its no-smoking pledge required of ministerial candidates. It voted against giving full ministerial rights to women, set forth the church's views on war and peace, made a change in the church's social creed, and set up a new board to study social and economic conditions.

Church spokesmen said the conference made more major changes in church organization than any since the first conference of the United Methodist Churches in 1868. It also handled a record number of legislative petitions.

720 delegates from some 25 countries passed resolutions calling for elimination of racial discrimination and censuring the un-

Kiwanians Enjoy An Interesting Talk On Mental Health Week

Dr. John Urbaitis, assistant superintendent of the Warren State Hospital at North Warren, delivered an interesting and informative talk on "Mental Health Week" at the meeting of the Kiwanis club Wednesday noon at the YWCA. During the discussion members were reminded of the "open house" being held at the institution today, and following the talk a "question and answer" period was held which developed many facts concerning the hospital not known to the group present.

The speaker declared that "wonder drugs" have shortened many types of illness and prevented complications which used to cause permanent disability.

"The modern methods of treatment of mental illness," he said, "are well known, because they have been described in popular magazines and in the newspapers. They have helped us most definitely in the treatment of mental illness which occurs in middle age. They also have changed the outlook in

younger patients who are depressed and suicidal. For patients with other types of symptoms, the so-called shock treatments are only a minor part of the treatment.

"When an illness is caused by a large number of factors, treatment must likewise be along a number of different lines. It is common for families, as well as for the patient, to say nothing is being done for the patient, merely because he is not receiving electroshock treatments or some colored medicine. The goal of treatment in a mental patient is a return to normal habits of thinking and working. Practically all patients are discouraged and withdrawn. It is important for them to regain their self-esteem. This is done by sympathetic understanding acceptance of the patient as he is instead of blaming him for his plight. He needs constant reassurance, without making any rash promises that everything will be all right after a specified period of time has elapsed. This does not mean that he should remain dependent upon others for support indefinitely. As he improves, he is given increasing responsibilities and privileges. Social conversation and games with personnel and other patients is an important part of treatment. The proper assignment to work activities and to handicrafts helps to re-

store the patient to mental health. "We usually stress active participation in recreation. However, our patients enjoy radio, movies and television just as much as other people do. We make no effort to censor the type of program. During the summer, there are baseball games on a well-kept diamond. Our annual field day is enjoyed by the personnel as much as it is by the patient.

"Some problems which are not clearly associated with mental illness are referred to us. Chronic alcoholism causes loss of time in industry as well as grief to the other members of the drinker's family. Over a period of years we have helped many alcoholics to get a new start in life when other methods have failed. By working closely with the Alcoholics Anonymous, our percentage of successes has been constantly increased. Perhaps the most helpful feature is the continuity of treatment, both during the stay in the hospital and the finding of a job and new social diversions after leaving the hospital."

The stoves, popular throughout Europe, were in use in Germany as early as the 14th century.

MENU SUGGESTIONS

BY GAYNOR MADDOX
NEA Food and Markets Editor

VEAL steak from the leg or shoulder or chuck, cut about 1/2-inch thick, is delicate meat. For best flavor, the veal should be seasoned, dipped in flour, browned in fat and then cooked slowly in liquid or sauce until tender.

Remember, veal is bland and therefore calls for interesting seasoning. Soaking the meat in French dressing for a few hours is one cooking trick. Be sure there is garlic in the dressing. A clove of garlic in the cooking liquid is recommended, too.

Make veal birds from small rectangular pieces of thin veal steak rolled around a well-seasoned bread, rice, fruit or vegetable stuffing. Cook like veal steak.

Cubes of veal steak with strips of bacon or cubes of fresh pork, with or without mushrooms, may be pushed onto skewers and floured, browned, and cooked slowly in a thin or thickened sauce to make a quite different veal dish.

Veal Steak in Onion and Olive Sauce
(5 to 6 servings)

Two round bone veal steaks, about 1 1/2 pounds (1 1/2-inch thick), 1 cup French dressing, salt and pepper, flour, 2 tablespoons fat, 1 large onion, sliced, 1/4 10 1/2-ounce can condensed cream of chicken soup, 1/4 cup milk or water, 1 tablespoon vinegar, 1/4 cup sliced ripe olives.

Soak steaks in French dressing at least 3 hours. Drain. Dip in seasoned flour. Melt fat in large heavy skillet. Brown the steaks on both sides in fat. Add onion, soup, and milk. Bonds Committee Chairman Outlines New Sales Program

Glenn E. Stone, chairman, Warren County Defense Bonds Advisory Committee, has announced that the Defense Bonds Program is offering immediately a revised Series E Bond and two new Bonds, Series J and K. Mr. Stone further stated that sales of Series F and G Savings Bonds were discontinued after April 30, making way for Series J and K, and that a new Series H Bond will go on sale June 1.

Elaborating on these changes, Mr. Stone declared that the familiar Series E Defense Bond—the type held by most individuals—will be continued. The interest rate for the full period of the E Bond will be raised from 2.9 per cent to 3 per cent.

Buyers will get a much bigger increase in interest rates over the first few years they hold the Bond. The changes will not affect E Bonds already sold unless the bondholder wants to keep his Bond after it matures. In that case, he will get the new interest rate of 3 per cent. The E Bond is bought at a fixed price, amounting to three-fourths of its face value. A \$25 Bond, for instance, costs \$18.75 and matures nine years and eight months later at \$25.00 value.

The biggest innovation will be issuance of an H Bond to be sold,

like the E Bond, only to individuals. The H Bond, however, will pay off in checks to be delivered to the bondholder twice a year. It will be sold at par—and the smallest denomination will be \$500.

The H Bond's interest rate will be 3 per cent annually, if held for the full term of nine years and eight months, but the initial checks will not reflect that large a rate. A \$1,000 H Bond would bring a \$4 interest check after six months, a \$12.50 interest check for each of the next seven six-month periods, and then a \$17 check every half year for the remaining six years.

The increased interest rate for new series E Bonds will be put in effect through a change in maturity dates. Whereas the present E Bonds mature in ten years, the new Bonds will mature in nine years and eight months. The cost of the Bonds at the issue price will remain the same. The new Series E Bonds will, in addition pay a higher rate of interest when cashed before maturity. The new rate is 1.07 per cent after six months, 1.59 per cent after one year, 2.10 per cent after two years, 2.25 per cent after three years, and so on, until the rate reaches a total of 3 per cent for the nine years and eight months. The present Bonds pay no interest for the first year, less than 1 per cent for the second year, and only 1.79 per cent after five years.

One estimate is that ancient Rome used 92 million gallons of water a day.

Cancer Fund Drive Campaign Still On In the Ludlow Area

Ludlow—Mrs. Bernal Connelly, director of the McKean County Cancer Unit, reminds that the campaign for funds has been extended to May 15 and that she may be contacted for further information. She reports there are 500 sterilized bandages available at any time in Ludlow, free of charge, these having been made by local people. If they are needed, applicants may contact either Mrs. Connelly or Mrs. Enoch Nelson. An educational cancer film was shown here last year and other such movies are available to any local groups without cost.

Hospital Day will be observed Sunday, May 11, at Kane Community Hospital, 2:00 to 4:00 and 7:00 to 9:00 p. m. Ludlow folks are invited to attend this open house, when they will have opportunity to see the changes made and view equipment purchased during the year. The Community Hospital Auxiliary, of which Mrs. Bernal Connelly is president, will act as guides and serve refreshments. Two Ludlow women are among those on the committee for the day, Mrs. Emil Nelson and Mrs. Enoch Nelson. Mr. and Mrs. William Nystrom, Gerald and Geraldine, spent Sunday in Jamestown visiting relatives.

Warren Hopes for Fifth Victory at Titusville

Dragons Seek 2nd Win Over Crawford Countians; Locals Are Not Up to Full Strength

Warren High's undefeated track and field squad invades Titusville at 3:15 tomorrow afternoon in search of their fifth straight victory, which would also be their second over the Rockets this season.

In the Dragons' initial meet of the 1952 campaign they polished off the Shannermen by a slick 69-49 margin, but whether they can do it again is questionable. Currently Coach Loyal Briggs' thin-clads are not up to full strength, while Titusville is going stronger than ever.

Donnie Bird and Chris Dullak-as will be the locals' biggest headaches when they visit the Queen City. In Tuesday's triangular meet between Titusville, Oil City and Meadville, these two paid off with five first places between them, and led their team to a

Lionistic Vejar Led To Lamb Slaughter By Deceptive Davey

Chicago (AP)—There is no doubt that Chico Vejar, the New York University pugilistic prodigy, has the heart of a lion, but last night he looked like a lamb led to slaughter.

It was deceptive Chuck Davey's southpaw style and ballet-dancer footwork that guillotined the 20-year-old dramatic arts freshman. Beaten only once in 42 previous bouts, Vejar was as wide open to Davey's left hooks as a prepared oyster, and about as sloppy as he lost a unanimous decision.

The kid was knocked down four times.

Vejar arose with amazing stamina and kept coming back for more, of undefeated Davey's left, which bloodied his nose, his mouth and his cheek.

Before \$773 Chicago Stadium fans and millions of others on television and radio, Davey proved by his easy victory his worth as a foremost contender for Cuba Kid Gavilan's welterweight title.

The International Boxing Club promptly began preparations for a championship showdown between the two for Chicago this summer.

Davey received gashes around each eye from Vejar's long-swinging shots and will have to have some stitching.

'Old-Timers' Plan Games With Brookville and Bradford Nines As Well as Jamestown's Club

Plans to play "old timer" baseball teams from Jamestown and Bradford and to try to arrange a feature game with the famous Jefferson county "old timer" aggregation from Brookville, were made last night when a group of 12 former baseball players in Warren held an organization meeting at the Marconi Town Club.

"Pecky" Wright had charge of last night's meeting, and the stars of bygone years had a good time talking over old times and making plans to play a little baseball themselves this summer. The "old timer" clubs are having a real come back in nearby towns, and Warren will have its own nine to pit against them.

It was announced that there are 42 names on a potential membership list for the local club and that all will be contacted by mail in advance of another meeting to be held within the next two weeks.

New York Chairman Ignores NBA Blast On Robinson Fight

New York (AP)—The chairman of the New York State Athletic Commission shrugged off NBA opposition to the Ray Robinson-Joe Maxim bout today and proceeded to tie up loose ends of what he calls the "fight of the century."

"Could it be that this criticism stems from the fact that the bout is not being held in NBA territory?" asked Chairman Robert K. Christenberry.

The NBA-National Boxing Association, which governs the sport in every state except New York, issued a blast after the principals formally signed yesterday to meet June 23 at Yankee Stadium.

Maxim is the light heavyweight champion. His title will be at stake in the 15-round battle with Robinson, former welterweight and now middleweight pug who aspires to become the third man in history to head three divisions.

The NBA announced in Washington that it frowned on such interclass bouts, declaring the champions should first defeat all logical contenders in their divisions.

In Robinson's case, the NBA said, the middleweight champ should meet Randy Turpin of England, Gene Harston of New York and Charles Humez of France. Contenders listed for Maxim were Archie Moore of St. Louis, Harold Johnson of Philadelphia and Harry Matthews of Seattle.

Y-Bar Saddle Club Plans Its First Horse Show on May 25 On Mahaffey's Field, Russell

Y-Bar-U Saddle Club members are getting their summer schedule under way with their first Horse Show of the season on Sunday, May 25. The affair will be held at Mahaffey's Field, one-fourth mile east of the bridge in Russell, and will be similar to the show held last year at Akeley's Field.

Beginning at 12:00 noon, the show will be held rain or shine and will consist of games and contests for all amateur riders, men, women and children, with ribbon awards for the winners. Everyone in the area is invited to turn out and participate in the various events.

On August 3, the club will sponsor an All-Western point show at the same field, when winners will receive trophies, prizes and ribbons.

A special meeting of the club will be held in the Russell fire hall at 8:00 p. m. Thursday, May 15, and all are asked to be on hand to complete plans for the opening show.

Deny Report Rickey Will Acquire Saigh Stock in Cardinals

New York (AP)—There was a report today that Branch Rickey is slated to return to St. Louis as owner of the Cardinals, but it met hasty denial.

Fred Saigh, president and owner of the Cards, said, "I have not heard of any such possibility." Rickey himself was off on a speaking trip and unavailable for comment.

Dan Parker, sports editor of the New York Daily Mirror, wrote that "baseball circles are buzzing with the report that Rickey, general manager of the Pittsburgh Pirates, will make a bid for Saigh's stock if Saigh's income tax difficulties should result in his leaving baseball."

"Considering the poor results that have attended Rickey's efforts in Pittsburgh, it is believed that he would have no trouble in being released from his contract to rejoin the ranks of the club owners," Parker said.

Pirates Break Six Game Losing Streak By Beating Phillies

Pittsburgh (AP)—The Pittsburgh Pirates broke a six-game losing streak last night by beating Philadelphia 5-1 behind the five-hit pitching of southpaw Howie Pollet.

It was Pollet's first win against four defeats.

The Phillies committed five errors. Only one of the Buc runs was earned. Connie Ryan's homer in the fifth accounted for the lone Philadelphia tally.

Pete Castiglione led the Buc attack on Russ Meyer with a single, double and triple in four trips. Meyer, relieved by Andy Hansen in the eighth, was charged with his fourth consecutive defeat.

Ashenfelter Wins Sonny Shepard Run

Hanover, Pa. (AP)—Bill Ashenfelter, former Penn State distance track star, defeated FBI man Fred Wilt by 15 yards yesterday to win the annual Sonny Shepard Memorial two-mile run.

Ashenfelter was clocked in 9:06.8 for his first win over Wilt this year.

Curt Stone, another former Penn State star, now representing the New York A.C., was third followed by Dick Hart, of Philadelphia.

Through The Wind Tunnel

A complete lack of the mercenary was shown a few days ago by several very young lads who were playing near the high school and were admonished by a workman to cease climbing about the building. The workman, engaged in rolling the parking lot, carefully let the little tykes ride on the roller, and finally said "You've been very good boys, here's a quarter for jelly beans." They thanked him sincerely, declined his offer and said "You've been good enough to us, letting us ride the roller."

Everyone probably ended up with a sore back and arms this morning, but it was a lot of fun.

We believe it is supposed to be a secret that the SPS (secret poker society) met last night, but we heard all about it.

A local miss was seated with a group of young men during an interesting conversation last night. One of the male figures was busy telling of all his hunting and fishing experiences and when in the middle of a lake in Canada the miss comes out with the choice statement of the evening. "I like _____", she says, "he knows so much".

Properly stated, good for a laugh, came as Helen Morrow was handing out instructions to the cast of tonight's Players' Club production. After all the ifs and ands she calmly added, "Now think about it, all you characters."

It took the "characters" a while to catch on.

Tulips will be in bloom and at their best by the end of this week, and some of the finest in town are on the grounds surrounding the Sylvania plant in Lexington avenue. We suggest you drive down that way to see them, and while in the vicinity visit the auto show in the Masterson Transfer building, Friday evening, Saturday afternoon or evening.

Just ready to burst into bloom is a fine bed of tulips in Celoron Park where Water street crosses Pennsylvania.

The young ladies on Beaty faculty may be pretty sharp in the classroom, but when it comes to a game of softball they just don't have it. Yesterday afternoon the little eighth grade lassies trimmed their instructors 28 to 18.

PIONEER MOVIE MAN DIES IN NEW YORK

New York (AP)—William Fox, 72, a pioneer motion picture producer and one-time operator of more than 250 theatres valued at more than 100 million dollars, died in Doctors Hospital today.
Fox ran \$1,600 into a personal fortune of 35 million dollars but his moving picture empire crumbled under the depression, creditors and law suits.
He served a five-month term in prison at the age of 63 on charges of conspiring to obstruct justice and defraud the government. He was accused of bribing a Pennsylvania Circuit Court judge to obtain favorable bankruptcy verdicts.
